DEDICATED TO OUR PARENTS

GEN. XX; 12
"HONOR THEY FATHER AND THEY MOTHER THAT THE DAYS MAY BE LONG UPON THE LAND WHICH THE LORD THY GOD GIVETH THEE"

WE DEDICATE OUR ANNUAL TO OUR PARENTS. THIS IS ONE SMALL WAY OF SHOWING OUR LOVE, APPRECIATION, AND GRATITUDE FOR ALL THE THINGS THEY HAVE DONE FOR US; MANY HAVE MADE SACRIFICES AND ENDURED HARDSHIPS.

HOME
EDGAR A GUEST

IT TAKES A HEAP OF LIVING IN A HOUSE TO MAKE IT HOME,
A HEAP OF SUN AND SHADOW AND YOU SOME TIMES HAVE TO ROAM,
AFORE YOU REALLY PRECIATE THE THINGS YOU LEFT BEHIND,
AN HUNGER FER EM SOME HOW WITH EM ALLUS ON YER MIND,
IT MAKES NO DIFFERENCE HOW RICH YOU GET TO BE
HOW MUCH YOUR CHAIRS AND TABLES COST, HOW MUCH YOUR LUXURY,
IT AINT HOME TO YE, THOUGH IT BE THE PALACE OF THE KING UNLESS YOUR SOUL IS WRAPPED AROUND EVERYTHING.

HOME AINT A PLACE THAT GOLD CAN BY, OR GET UP IN A MINUTE,
BEFORE ITS HOME THERE'S GOT TO BE A HEAP OF LIVING IN IT...
YOU'VE GOT TO LOVE EACH BRICK AND STONE FROM CELLAR UP TO DOME,
IT TAKES A HEAP OF LIVING IN A HOUSE TO MAKE IT HOME.

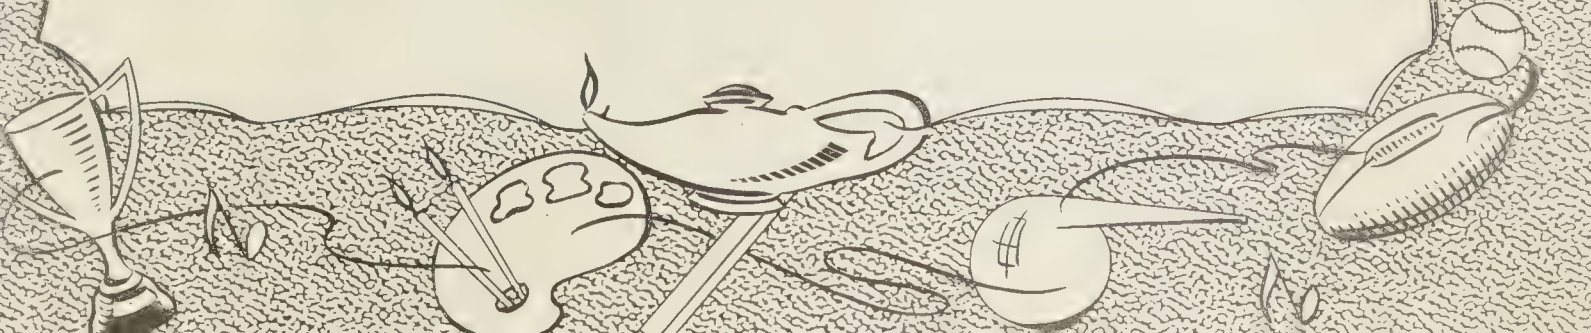
PARENTS*****

You're a parent, and your children go to school. You ought to know the danger signals that are flying today in lots of school-houses around the country. Classes overcrowded. School buildings run down. Not enough teachers to go around. Makes it tough for the children may be yours included. The kind of education they're getting now will help decide how far they go in life. Better make sure your children are getting the kind of education they deserve.

The teachers in our schools are doing a tremendous job, but they need your help. And you can help---- plenty!! For one thing, support and work with organization seeking to improve teachers working and living conditions. Get to know your children's teachers, too. Show by your interest and friendliness just how much you appreciate the work they are doing. Remember that in the classroom.....with your children..... the teacher molds our nations future!!!



TO ALL STUDENTS

IT IS HUMAN NATURE FOR ALL OF US TO RESENT UNDUE CORRECTION AND CRITICISM, BUT IT IS WELL TO REMEMBER THERE IS A PURPOSE BEHIND ALL SCHOOL RULES AND REGULATION EVEN THOUGH THEY MAY SEEM DIFFICULT TO UNDERSTAND. "WITH EVERY PRIVILEGE COMES A RESPONSIBILITY."

IN ANY PUBLIC INSTITUTION, RULES ARE MADE FOR EVERY ONE AND THE BEST ARE ALWAYS MADE TO SUFFER FOR THE WORST. ALWAYS KEEP IN MIND THAT THE EDUCATIONAL OPPORTUNITIES OFFERED BY HIGH SCHOOLS IN AMERICA ARE UNMATCHED BY ANY OTHER NATION OF THE WORLD. THESE OPPORTUNITIES INVOLVE A TREMENDOUS INVESTMENT IN BUILDINGS, PURCHASE AND MAINTENANCE OF FURNITURE AND EQUIPMENT, TEACHERS SALARIES, AND MANY OTHER EXPENSES.

THIS BURDEN IS SHOULDERED BY THE TAXPAYERS OF YOUR COMMUNITY-SHARE AND SHARE ALIKE REGARDLESS OF WHETHER THEY HAVE FAMILIES OR CHILDREN OF SCHOOL AGE. AS CITIZEN OF THE COMMUNITY, YOU HAVE AN OBLIGATION TO PROTECT AND HELP PRESERVE THAT INVESTMENT.

MAKE IT YOUR JOB TO HELP PROTECT SCHOOL PROPERTY AND KEEP IT IN GOOD CONDITION. YOU WILL PROFIT IMMENSELY BY IT IN YEARS TO COME.

YOU ALSO HAVE AN OBLIGATION TO HELP PROTECT THE SAFETY AND WELFARE OF OTHERS, AS WELL AS YOURSELF. YOUR CONDUCT WHILE ATTENDING SCHOOL REFLECTS YOUR OWN CHARACTER AND BACKGROUND. RULES GOVERNING YOUR ACTIVITY IN THE HALLS AND CLASSROOMS ARE MADE IN THE INTEREST OF SAFETY OF THE ENTIRE STUDENT BODY.

ALSO DON'T NEGLECT YOUR DUTY TO YOUR PARENTS AND YOURSELF. YOUR EDUCATIONAL ADVANTAGES COME TO YOU ONLY ONCE. YOU WILL ALWAYS REGRET IT IF YOU DO NOT APPLY YOURSELF AND MAKE THE MOST OF YOUR HIGH SCHOOL YEARS. THERE IS PLENTY OF TIME FOR FUN-AND STILL KEEP UP WITH YOUR SCHOOL WORK.

TO SUM IT UP ANALYZE YOURSELF AND YOUR OPPORTUNITY FOR THE FUTURE. THEN LET YOUR CONSCIENCE BE YOUR GUIDE.

ALWAYS REMEMBER THAT THE MORE RESPECT YOU HAVE FOR YOUR SCHOOL AND YOUR SUPERIORS, THE GREATER THE POSSIBILITIES FOR ENJOYMENT OF YOUR HIGH SCHOOL CAREER.

A PULLER DOES NOT KICK AND A KICKER CANNOT PULL.

In the first grade we were divided into four sections: Crabtree, Iron-Duff, Rock Springs and Big Branch, since our own school building was not established until 1937.

As the years passed on we added a few new members but lost more than we added. In the sixth grade we added Blanche Sanford. During this year the state of North Carolina passed a law for the twelfth grade to be added making our school days one-hundred eighty days longer, because we now have a nine month school year. In the seventh grade we added Kathryne Wells.

Finally we reached our long desire (high school days) happiest days of all.

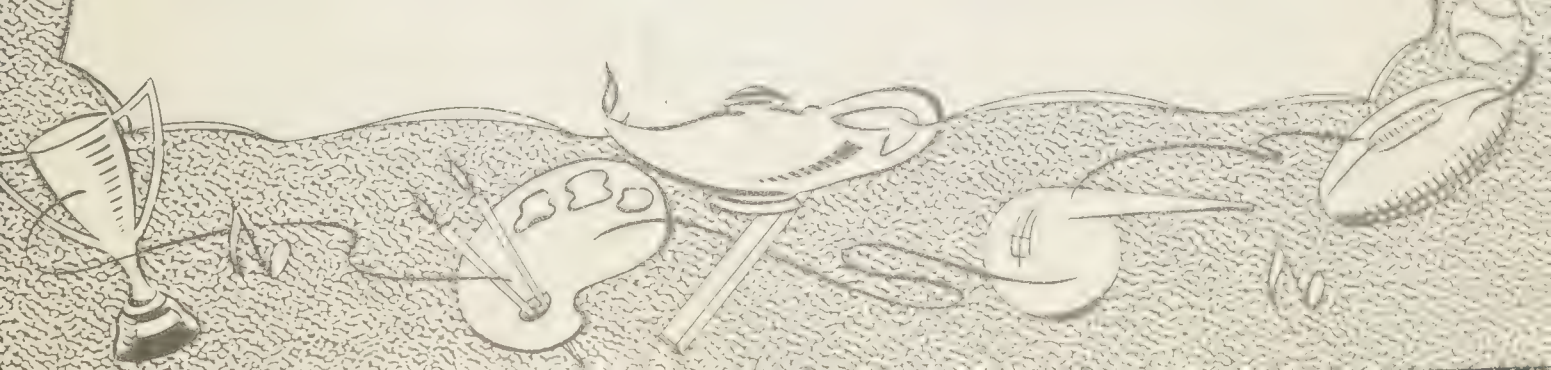
In the eighth grade Mary Jeanne Clarke was transferred from Clyde High School which added one more to our class.

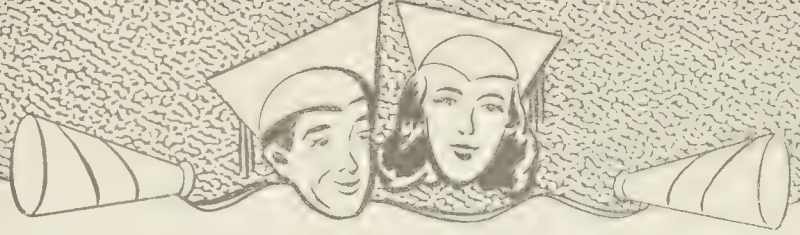
We entered high school with an enrollment of twenty-four. Mrs. Chappell was our home room teacher.

Just nineteen unruly "brats" who thought they knew it all entered the ninth grade, but some of us who couldn't stand being called "greenhorns" or "Lost John's" were lodged along the way. For our handships in this year Miss Greene gave us a class party at her home. (And didn't we have fun?!)

Then we were sophomores and Mrs. Chappell combined us with the seniors. How we hated this because "seniors" always come first. As a reward for our work that year Mrs. Kirkpatrick gave us an outdoor party in her yard.

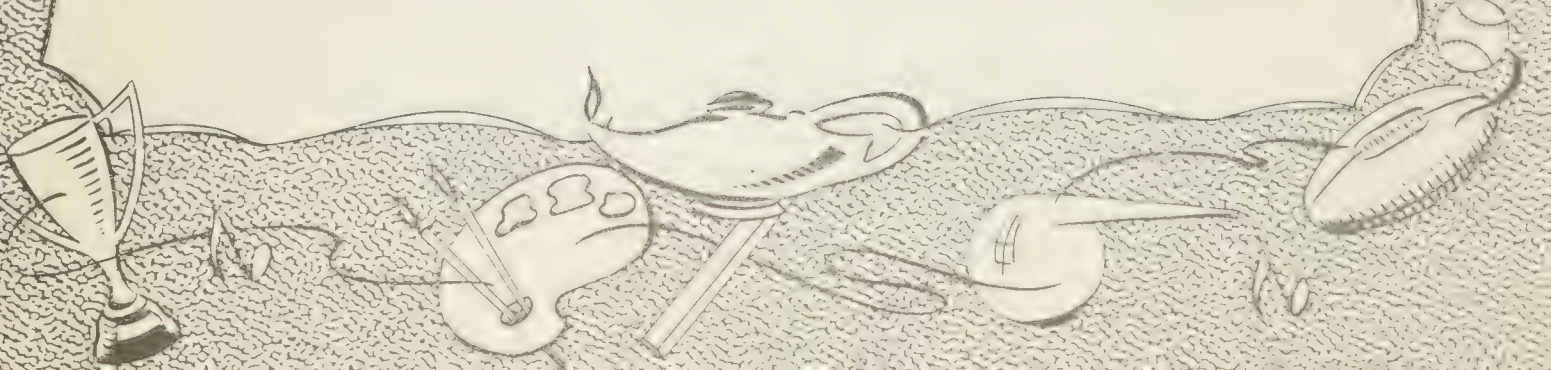
Juniors!! twelve jolly juniors, although our home room teacher Mrs. Yates thought differently sometimes for we were still a combination with the seniors home room. First came our junior play which we tried three times to preform but gee, we all had fun and it went over with a bang! Then came our banquet which we all enjoyed for we had our say so and most of us wearing long dresses for the first time.

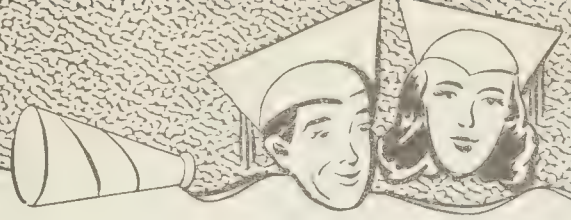




SENIORS----AT LAST!!! ALTHOUGH WE LOST ONE BOY (GARDNER) WE GAINED BILLY DAVIS. FIRST CAME OUR RINGS TO ADD BEAUTY TO OUR HANDS. NEXT CAME OUR SENIOR PLAY WHICH WE ALL WORKED SO HARD FOR, BESIDES OUR SIXTEEN UNITS WHICH WE ALL TRIED TO COMPLETE.

OF COURSE, WE PASSED BUT WITH THE USUAL THINGS: WORRIED PARENTS, GRADUATION NIGHT, OH, WHAT A THRILL, BUT OUR EYES DIMMED WITH TEARS LEAVING OUR SCHOOL-MATES AND TEACHERS----ESPECIALLY THE SOCIAL CONTACT WITH WHICH THE SCHOOL HOLDS IN OUR COMMUNITY.





During the High School days of the present senior class several improvements have been made inside and outside of our beloved school building and surrounding such as: most important of all our high school and elementary library has many new books which has placed it on the standard list of North Carolina schools.

A motion picture machine has been one of our achievements for as Educators say visual aid teaches more in one hour than oral teaching does in three.

The Home Economic Department has added a new shop building and lots of new equipment, also a not yet completed cannery.

For ground improvement lots of new trees have been planted, our lawn has been sodded which has improved the appearance of our school, also a school sign, and best of all a flag of the United States waves its banner to remind us of our liberty.

The electric bell has been added to remind us to go from one class to another.

A loud speaker and some amusement has been added by a Combination Radio-Phonograph with several educational records.
